Appellation: Sierra Foothills

View Forever Vineyard

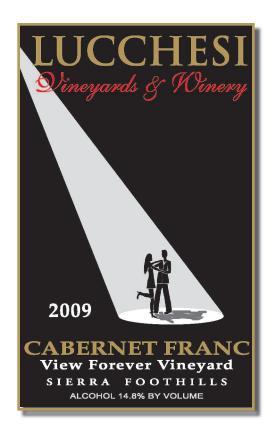

Sugar at Harvest: 25.0°Brix Alcohol: 14.8% by Volume

pH: 3.74

224 cases bottled September, 2011

Winemaking:

The grapes were hand harvested from our View Forever Vineyard Estate at optimal ripeness, then destemmed and fermented in small lots until dryness. The young wine finished malo-lactic in 65% new French oak barrels and matured for 20 months with quarterly racking.

Tasting Notes:

This wine has an alluring smokey sultry note to match it's bold fruit and dark spice and blackberry flavors. Very dry with a graphite finish that finishes with power.

Food Pairing:

Try this wine with poultry, pasta with mushrooms, or slowly cooked short ribs.

Retail price: \$24.00
