Appellation: Sierra Foothills
View Forever Vineyard

Sugar at Harvest: 25.0°Brix

Alcohol: 14.4% by Volume

pH: 3.70

144 cases bottled March, 2012

Winemaking:

Our best Merlot grapes were hand harvested from our View Forever Vineyard Estate at optimal ripeness, then destemmed and fermented in small lots until dryness. The young wine finished malo-lactic in 75% new French oak barrels and matured for 16 months with quarterly racking. Our winemaker then selected the best barrels for this fabulous wine.

Tasting Notes:

Very rich, opulent and ripe with oak driven aromas of vanilla, chocolate and spice. Smooth silky feel thanks to the quality of its tannins and ends with a chewy bite of plum cherry.

Food Pairing:

Try this wine with steaks with mushrooms, or slowly cooked roasts.

Retail price: \$38.00
