WINE FACT SHEET

2010 RESERVE CABERNET SAUVIGNON

Harvested: October 19, 2010

Blend: 95% Cabernet Sauvignon
5% Merlot

Appellation: Sierra Foothills
View Forever Vineyard

Sugar at Harvest: 25.6°Brix

Alcohol: 14.4% by Volume

pH: 3.76

250 cases bottled March 2012

Winemaking:

The grapes were hand harvested from our View Forever Vineyard Estate at optimal ripeness, then destemmed and fermented in small lots until dryness. The young wine finished malo-lactic in 70% new French oak barrels and matured for 17 months with quarterly racking.

Tasting Notes: Youthful deep garnet color is followed by aromas of ripe black currant and violets that layer with cocoa. The palate is rich and full-bodied, well integrated tannin and long finish.

Food Pairing: Try this wine with rich pates, grilled steak with sauted mushrooms and blue cheese, or hearty lasagna with salad.

Retail price: \$38
