THE WINE

We're proud to support the Barbara Schmidt Millar fund by donating 20% of the proceeds of each bottle to the Sierra Nevada Memorial Hospital Foundation. The fund provides mammograms for women and men in western Nevada County and provides scholarships for women entering the healthcare field.

Barbara died of cancer in 1995, at the age of 42. Her family, friends and the community keep her memory alive, while raising funds for cancer awareness by hosting a triathlon each year at Scotts Flat Lake.
