## WINE FACT SHEET

### FIRST LOT RED WINE

#### Technical Information:

Blend: 75% Cabernet Sauvignon  
25% Merlot

Appellation: Sierra Foothills

Alcohol: 14.5% by Volume

Acidity: 0.63

pH: 3.68

171 Cases Bottled January 2007

#### Winemaking:

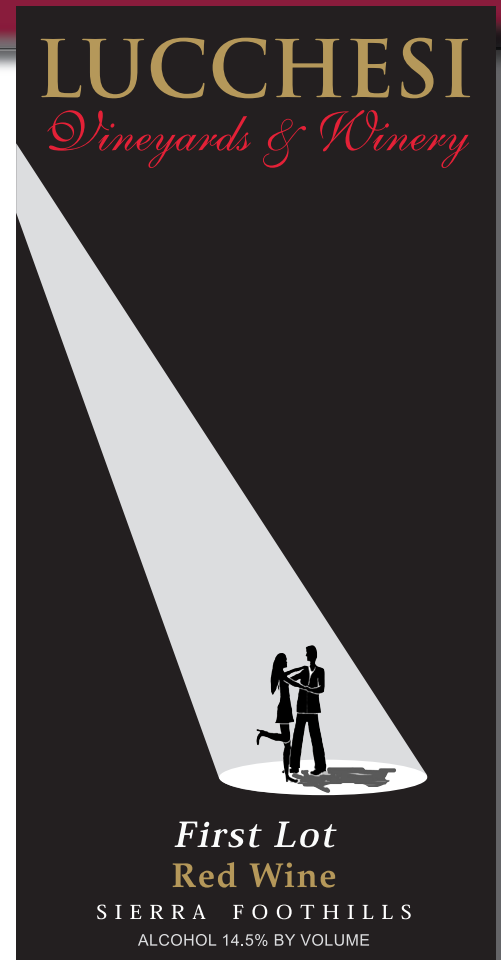

Cold soaked for three days to extract soft tannins and emphasize fruit characteristics. Quick, warm fermentation with multiple yeast strains to add complexity. The young wine was gently pressed at dryness. The wine matured in once and twice filled barrels until ready for blending and bottling.

#### Tasting Notes:

Violets and black currants are accented nicely by an underlying earthiness. The palate is full of mixed berries and sweet fruit, finishing long with the essence of coffee.

#### Food Pairing:

Our First Lot Red Wine complements hearty cuisine of any sort.
